

RECRUITERS

NISWASS has strong linkages with various agencies both national and international organizations. The students have proved their mettle in the field with each passing year. They are all placed on just after course completion. Our alumni has made their presence felt in all sectors of the society and in their respective professional area and have always made us proud of them. As part of the course curriculum they are also sent to various reputed agencies /organizations for block placements which facilitates recruiters to appreciate and absorb them instantly.
